

MESSAGE OF VICTORY

There is a deeper life message for every Christian believer. We can live an overcoming, victorious, full life in Christ (John 10:10)

Through Christ, we can live a life of victory and fruitfulness.

There is a crisis experience where we make a full surrender to Jesus as our Lord & King. (Luke 9:23,24; Romans 12:1,2).

Then we need to continue to live a fully surrendered life, and live a continuously, committed life of obedience. Through the inner strength of the Holy Spirit, (Ephesians 3:18) we can live a life of victory.

We need to also spend time daily in the Word and prayer and communicate daily with the Lord.
